

## Mangrove Bay

For the last 4 years Mangrove Bay in Jupiter, Florida has been the venue of choice for many groups and organizations such as the Rotary Club, Kiwanis Club, Jupiter Business Women, the Gideon's, The Widow and Widowers Groups. Also Mangrove Bay hosts a weekly needlepoint group and Garden Club, Merrill Lynch luncheons, Area Agency on Ageing, Alzheimer's Association and assorted seminars by physicians, financial planners and local hospitals.

Lately, the community has been called upon by various organizations to help raise funds for some very worthwhile causes. It seems the word is out that Mangrove Bay presents exceptional breakfasts, parties, farmers markets, silent auctions and the list goes on!

Most recently, Mangrove Bay was asked by the Jupiter Medical Center to help raise funds for The Key to the Cure for woman's cancers. They hosted a Wellness Farmers Market for the benefit of The Ella Milbank Foshay Cancer Center at Jupiter Medical Center on September 9, 2009. The vendors included local artists, crafts, mini makeovers, antiques, jewelry, huge sandwiches, fresh made lemonade, home baked breads, home made soups and a bake sale. The event raised \$1,200 for the Jupiter Medical Center and Mangrove Bay was honored to be involved with such a worthy cause.
