'Uncorked At The Bay!' raises spirits and funds

May 19, 2010

A beautiful spring evening and fine wines contributed to the fun and fellowship at "Uncorked at the Bay!" a wine-tasting fundraiser hosted by Mangrove Bay. Wine tasting, hors d'oeuvres, live music and a silent auction attracted more than 80 friends of Alzheimer's Community Care and raised \$3,000 to benefit caregivers of Alzheimer's and related disorders patients.

"Alzheimer's Community Care is a wonderful organization and they do so much for caregivers and their families. We are so pleased to be a part of all the good that is done every day through the efforts of Alzheimer's Community Care. It is our pleasure to host the annual wine tasting event, Uncorked at the Bay!" said Nancy Fagnano, Mangrove Bay marketing director.

"Uncorked At the Bay!" caps off a series of pre-event fundraisers held in support of the 2010 Alzheimer's Educational Conference in partnership with the Alzheimer's Alliance. The funds raised at this event and others make it possible for caregivers to attend the Alzheimer's Educational Conference scheduled for June 3 and 4 at the [Palm Beach County](#) Convention Center, West Palm Beach. As one of the nation's largest annual Alzheimer's conferences, it is expected to attract almost 1,000 attendees including Alzheimer's caregivers and family members, healthcare professionals, organizations and businesses that serve this growing population. Speakers from across the United States will share the latest research and standards of care for those with Alzheimer's disease and related disorders. For more information regarding the 2010 Alzheimer's Educational Conference or Alzheimer's Community Care, call 561-683-2700 or visit [alzcare.org](#).
