

### *Note from the Leadership Team:*

July is for celebrating and honoring our nation and our heroes. We start off with America's Independence Day featuring a special 4th of July show with our own Mangrove Bay Chorus opening for Ryan Gill and Friends. We continue our patriotic theme with a performance from the Matthew Sabatella Duo. In our watercolor painting classes, we will be making cards for our local first responders. In our themed Team Trivia we are focusing on Nelson Mandela International Day honoring his legacy of social justice and equality. In our other themed Team Trivia we are learning more about our Mangrove Ecosystem!

### *Meet Your Neighbor:* *Sylvia Jacobson*

Sylvia was born and raised in Philadelphia. She was accepted at Yale University School of Art to major in painting. Later she switched major to sculpture with an interest of the human figure in action. She has a delightful collection of her sculptures and one of a dancing couple on display outside of her apartment. She met her husband who was also a Yale in the Naval ROTC. They married 13 months and 13 days after they met, and Sylvia now lives in apartment 1302! Her lucky number is 13! Sylvia has three children, two grandsons, and six great grandchildren. Sylvia moved into Mangrove last October she enjoys Charles' and Tamara's fitness programs and has fun with new friends.
