

Note from the Leadership Team:

August is known for being the "Dog Days of Summer" and we are in the thick of it here in South Florida. The theme for August is Experience Adventure and we are looking forward to a private tour of Loggerhead Marinelife Center in Juno Beach. Followed by lunch out to the always popular Hurricane Cafe! For our New Poetry Hour we are featuring "The Spirit of Adventure" with a focus on poems by Amelia Earhart, who knew she was poet too?! In our team trivia we will have questions on "Wild America" and "World Explorers"! Let the adventures begin, Mangrove Bay style!!

Residents enjoy dinner at Schooners' seafood restaurant a Jupiter landmark since 1984.

Headline:

There are no official holidays in the month of August, but we find plenty to celebrate and enjoy here at Mangrove! Early in the month we have singer and celebrity impersonator Camille performing a Country Rock Show. Throughout the month we have all our favorite live performers coming in. With an extra Friday this month we are ending things with a Polka Party featuring "New to Mangrove" Ron Finn! We are also looking forward to Chef Billy's yummy food demo and sampling focusing on local seasonal produce!

Team Member Highlight: Lamercie Osalvo

Lamercie has worked at Mangrove Bay since 2023 in the housekeeping department. She is originally from the island of Haiti. Lamercie has four daughters that keep her very busy. She loves children, cooking, and strives to represent the values of care and authenticity in everything she does. Marie Diogene, Lamercie's immediate supervisor, says she is an essential part of the housekeeping team. She is always willing to help whenever asked no matter what the task is and is willing to learn new things all with a beautiful smile. She has a great rapport with the residents, all her coworkers and managers.

Meet Your Neighbor: John Allan Krul

Our new resident Allan Krul moved into Mangrove Bay from Sun City West, Arizona. Originally from Pittsburgh, Pennsylvania Allan is a Mechanical Engineer graduate from Penn State. Allan worked for Westinghouse Nuclear Power Division and later Hardinge Inc., a manufacturer of super precision machine tools. Allan enjoys boating, fishing, golf and walks the Riverwalk regularly and is looking forward to getting more involved with Mangrove's weekly fitness schedules. Allan's son lives locally in Jupiter along with his four grandchildren and visits frequently. Together they enjoy Mangrove Bay's beautiful location and the variety of amenities it has to offer.
