

Note from the Leadership Team:

November is here and we continue our busy holiday season. Gratitude is the theme this month, and we are grateful for our right to vote and participate in the workings of our government and the freedoms we enjoy thanks to our veterans. We are honoring veterans from all branches of the armed forces in our special Veteran's Day show by Matthew Sabatella and his Rambling String Band. A trip to historic Singer Island where the development of Palm Beach was the vision of Paris Eugene Singer. The Watercolor painting class is working on holiday card designs, one of which will become our holiday card for this year!

Matthew Sabatella and the Rambling String Band performs a musical salute as we give thanks to our Armed Forces.

Headline:

Gratitude is the theme for November. The true meaning of gratitude is a deep appreciation for goodness in your life, recognizing it as a gift. We will be installing a Gratitude Board early in November. Every member of the community will have the opportunity to express what they are most truly thankful for. The board will be on display in the lobby area by the library. Please take some time and consider what you would like to write. You may sign your name or remain anonymous.
