

Note from the Leadership Team:

January is the month that is associated with beginnings and transitions. At Mangrove Bay we begin 2026 featuring wellness experiences and improving our brain health with Music Stretch, Tai Chi and Certified Strength for Full Life classes. Also, we would like to introduce Shelia our new mahjong teacher for beginner level groups schedule TBA. On Wednesday, January 21 we will be going to Juno Beach to watch the kite surfers. As we near the end of January we will be taking a trip to visit the manatees at FPL power plant. We are looking forward to a year of fun and excitement. Check your calendar daily!

Jupiter Country Stompers presents a line dancing show Thursday, January 8 - AL Living room.

Headline:

We will be taking a trip to Manatee Lagoon to see where manatees gather in the warm-water outflows of the Florida Power & Light Company. For decades, manatees have been attracted to the warm-water discharges of FPL's energy center during cold weather. The best opportunity to witness these gentle giants at the lagoon is November through March when local water temperatures may drop below 68 degrees. So don't miss this bus trip from Mangrove Bay to Manatee Lagoon on Wednesday, January 28!

Team Member Highlight Virginie Rabel

Virginie is an LPN nurse in the assisted and memory care communities who is being honored as Mangrove Bay's employee of the year. She has worked here since 2019. She is originally from Haiti and moved to the US in 1996. Virginie is married, her husband's name is Harry, and they have a son named Aidan. She is very passionate about her work and her residents' well-being. We enjoy working and having her here with us.
